11th May 2020

Dear Parents /Carers

I hope you were able to enjoy the bank holiday weekend safely and are healthy and well.

You will most likely have seen the Government briefing yesterday that indicated that primary schools may reopen from the 1st June for some year groups – Reception, Year 1 and Year 6. Like you, at this stage, we are now waiting to receive more information from Government about what this means for the school and for you, as parents. In the short-term, nothing has changed. We will provide you with further information in the coming days and weeks once we are able to do so. As has been the case from the beginning, we will put the safety and health of your children and our staff at the forefront of all decision making.

Superprojects

We are now moving into our second week of Superprojects. Last week we saw some fantastic work based on Nature and Spring. You can see some of this work on our website by clicking here:

<http://foxboroughprimary.co.uk/superprojects> and scrolling down to the bottom to see each year group's super work.

This week's topic is...

We hope that you will enjoy learning and exploring the topic of Space as a family. Remember, there are lots of activities to choose from, but children are not expected to do them all; some tasks are easier than others. We hope that this will allow them to engage more in home-learning and give pupils opportunities to work independently.

If you want to send in examples of work, pictures or videos for teachers to look at, please email any examples of the work children have been doing to the following email addresses:

Nursery and Reception- superEYFS@foxboroughprimary.co.uk

Year 1- superyear1@foxboroughprimary.co.uk

Year 2- superyear2@foxboroughprimary.co.uk

Year 3- superyear3@foxboroughprimary.co.uk

Year 4- superyear4@foxboroughprimary.co.uk

Year 5- superyear5@foxboroughprimary.co.uk

Year 6- superyear6@foxboroughprimary.co.uk

Please note that these are **incoming mailboxes only** and teachers will not be able to respond. By sending in work to these email addresses, you are providing consent for any work, photos or videos to be published on the school website. If you are not happy for this to be the case, please state so in your email.

Reading, English and Maths are posted on the website as normal.

Challenges

Our staff members have also devised daily challenges that will be posted on the website each morning. Don't forget to check in and see what they are!

Pioneer charity challenge- #MakeMayMemorable

I hope that lots of you have been completing challenges for the Pioneer charity challenge to support our NHS. Thank you to everyone that has donated so far.

This week, the following members of staff completed theirs:

Pupil nominations

The following pupils have been nominated! Click here: <http://foxboroughprimary.co.uk/news/161> to view details on how to complete your challenge. Don't forget to donate! <https://www.justgiving.com/fundraising/pioneereducationaltrust>

Messages from our staff

A message from Mr Wood

Hi Guys

I hope you are all keeping safe, staying entertained and are behaving for your adults! I know it's hard at the moment, but any work you do now will make school that much easier when we reopen, which we will!

Remember that everyone is having a hard time, so help out as much as you can and try to stay positive. Do also take time for yourself to relax and chill, don't just sit on your games all day!

I miss you all lots! Stay safe.

A message from Miss Wade

To all our pupils

I am missing you all incredibly and can't wait to see you all as soon as it is safe to do so. I hope you are all being good and being helpful at home. Have fun trying new things and exploring ways to make the most of your time at home. Lots of reading and story writing is always fun. We will all be together soon 😊

Curriculum consultation

In line with statutory guidance from the Department for Education, all primary aged children will be taught Relationships and Health Education from September 2020. We are currently reviewing our curriculum in order to ensure that we meet all statutory requirements and expanding our coverage in order to teach our pupils at Foxborough how to grow up healthy, happy, safe, and able to manage the challenges and opportunities of modern Britain.

We would like to give you the opportunity to look at an overview of the curriculum and our draft policy as well as a sample unit of work. We have also provided some guidance from the Department for Education, which can all be found in the Curriculum section of our website. <http://www.foxboroughprimary.co.uk/Curriculum>

We would welcome your feedback and any questions you may have by using the form provided and emailing it to feedback@foxboroughprimary.co.uk.

Ongoing support for families

Please can I remind you that if you are experiencing any difficulties or need help related to Free School Meal vouchers, we would urge you to contact the school by emailing: advice@foxboroughprimary.co.uk

If you are a key worker, have a child with an EHCP or have a social worker and you would like childcare provision, please email the school address to let us know.

For all other enquiries, please use the following email address: post@foxboroughprimary.co.uk.

Yours faithfully

Jessica Theisinger
Acting Head of School
Foxborough Primary School
