Re: Relationships and Health education

Dear parents /carers

In line with statutory guidance from the Department for Education, all primary aged children will be taught Relationships and Health Education. All schools will be required to deliver this curriculum beginning in the 2020-2021 academic year.

We are currently reviewing our curriculum in order to ensure that we meet all statutory requirements and reviewing our coverage so that we teach our pupils at Foxborough how to grow up healthy, happy, safe, and able to manage the challenges and opportunities of modern Britain.

We know that as parents you play a key role in the education of your children and therefore, we would like to give you the opportunity to look at an overview of the curriculum and our draft policy as well as a sample unit of work. We have also provided some guidance from the Department for Education, which can all be found in the Curriculum section of our website. Here: <http://foxboroughprimary.co.uk/Curriculum>

We would welcome you to engage us in an open, constructive and respectful dialogue regarding this matter. You can send us your feedback and any questions you may have by using the form provided and emailing it to feedback@foxboroughprimary.co.uk.

This consultation will be open until Friday 3rd July.

Yours faithfully

Jessica Theisinger

Acting Head of School
Foxborough Primary School
