Re: Stakeholder feedback

Dear parents /carers

The COVID-19 pandemic has forced us all to work and live differently. It has brought significant challenges for all of us and many individuals and families have been affected as a consequence of the virus.

Out of this period in time, however, we want to learn about what has worked well for you so that we can work collaboratively with you and your child(ren) to create an alternative, brighter future. Therefore, we are asking you to let us know **'what has worked well'** in terms of your child(ren)'s education. You may want to think about what has worked well for you in terms of remote learning, curriculum and its delivery, pastoral support, the use of technology, the sense of community or anything else you may wish to feedback.

We will be surveying all stakeholders – pupils, parents, colleagues, governors and Trustees – and using this feedback as inspiration for developing our pioneering organisation even further. So, please do take the time to share what has worked well for you.

Survey link for pupils:

We would also like the chance to hear from as many pupils as possible from all different year groups. Please take the time to discuss with your child and fill in the survey together.

Please complete this survey by Monday 6th July.

We look forward to hearing your responses.

Yours faithfully
