Dear Parents /Carers

Please find attached your child's pupil report for the academic year 2019-20.

Due to the unforeseen circumstances of the current situation, this report takes into account the period from September until the school closure on Friday 20th March. The attendance figures also cover this period only.

The academic statements are shown as being 'Not yet secure', 'Secure' or 'Greater Depth'. The teachers have made these judgements based on assessments completed by the children in the Spring term, just prior to the lockdown. Therefore, it is perfectly normal that your child's report may show lots of statements that are 'Not yet secure', since these had not been consolidated at the time of closure. These statements would most likely have been secured had your child been taught as normal in the Summer term. You may also notice that some statements are not ticked; this shows that these aspects of the curriculum had not been taught. This is particularly common in maths, where some areas are covered later in the year once the fundamental concepts have been established.

Please be reassured that these statements will be used to inform teaching in the Autumn term. This is a good example of how well the teachers know the children and that they are confidently able to identify gaps in learning in order to ensure that children do not fall behind. The first half term will be dedicated to identifying common misconceptions and gaps in learning and responding to this information. Teachers will then plan to make sure that teaching is responsive to the needs of the children and ensures that all aspects of the curriculum are covered.

I hope that you enjoy reading through the teacher comments and the Outstanding Memories. There are some lovely moments that remind me how wonderful it will be to have everyone back in school in September so that we can continue to make happy memories such as these.

If you have any comments or feedback regarding your child's report, please email post@foxboroughprimary.co.uk ensuring that you include your child's full name and current class.

Yours faithfully

Jessica Theisinger
