Total number of pupils on roll	281 (without 16 pupils in Nursery)
Total number of pupils eligible for PPG	115
Amount of PPG received per pupil	£1320 £1900 (for looked after children)
Estimated total amount of PPG	£154,440

Objectives 2018 - 2019

The key objectives in using the Pupil Premium Grant at Foxborough Primary School are to narrow the achievement gap between those in receipt of Pupil Premium and others and to provide an enriching and stimulating curriculum to expand pupils' cultural and social development.

As a significant amount of additional funding is allocated to the school, we are determined to ensure that it has maximum impact. We have high aspirations for all the children in our school community and believe that all children should be given the opportunity to reach their full potential. We seek, as a school community, to provide personalised learning opportunities and targeted support to allow every child to flourish. Careful analysis of internal and external pupil-level data, historical attainment and progress rates, as well as qualitative data is undertaken to ensure that these funds are used to maximum effect.

We invest heavily in ensuring that provision is personalised and pertinent to the needs of the pupils we serve in terms of supporting pupils' social and emotional wellbeing to enable them to access the opportunities at school to develop academically and thrive.

We seek to provide a curriculum enriched with opportunities from internal events to external trips to support and extend learning - which build pupils' cultural capital and understanding of the rich artistic, cultural, spiritual and social heritage of the UK and its various communities - in both the core and foundation subjects.
