Attendance Expectations

Foxborough Primary School is committed to ensuring the best for all our learners and we are working together with parents/carers to support children and families. Schools within Slough work hard to promote good attendance and have common systems in place to work with families when attendance drops below an acceptable level.

You will be aware of the importance of good school attendance in improving a young person's chance of success in life and establishing positive attitudes to lifelong learning. There is clear evidence of the link between poor attendance and low-level achievement.

For an example, if a child has an attendance of 90% they will have missed one day a fortnight in school. Over a school year this will represent four weeks' absence. If this level of absence were maintained for a five-year period, it would mean half a school year would have been missed. At Foxborough Primary School, we are determined to ensure that all our pupils have the best opportunity to achieve success and have an excellent record of attendance. Our expectation is a minimum of 96% attendance. Where there's cause for concern you will be contacted and attendance will be monitored. Slough Borough Council School Attendance Service will be made aware of the school's concerns.

We monitor all pupil's attendance and if a child's attendance falls below 95%, you may be invited in for a meeting to explore how we can increase your child's attendance.

Yours Sincerely

Attendance & Admissions Officer
