

Pioneer Educational Trust's Parent/Carer Consent Form for Publication and Display of Photographs, Name, and Work

At our school and at Pioneer Educational Trust, we love to celebrate our pupils, their successes, their work, as well as share the activities, trips and visits they are engaged with. We also aim to highlight how we put our values into practice and want to share what we do with you and our community. To help us with this, please indicate your consent for your child's name, image and work to be displayed, photographed, filmed or published for display in school, in publications, external communications, promotional materials, school/Trust websites, in the press, for external competitions or activities, and on online social media. We will only use the minimum amount of personal information possible in any display or publication, in line with GDPR/data protection principles. To protect pupils, your child's full name will not be included with their published images, without consent. In line with our safeguarding policy, we do not allow commercial or media photographers' unsupervised access to pupils. Please indicate your consent below:

1. I consent for the school/Pioneer Educational Trust to use my child's name, image (photograph/film), and work in school/Trust newsletters, internal and external communications, press releases, promotional materials, websites, external competitions/activities and online social media.
2. I understand that my child's name, image and work may be used for a period of 12 months from the date of my consent on this form and used only for the mentioned event(s) and or activity(ies).
3. I understand that I may withdraw my consent at any time by contacting the school and that, where possible, any publications or material containing the image/voice of my child will be recalled and withdrawn.
