

Sports Premium Grant

Projected Spend 2024/2025

For 2024/2025 academic year we will receive **£16,000** plus approx. **£2,100** from numbers on roll from, the Government which will continue to build on the improvements to our provision for PE and Sport (PESS)

£2,000 After School Provision Sports Clubs

Approx. 60 hours of coaching will be made available to our pupils from Level 2 (or higher) qualified coaches. Our pupils will benefit from a wide range of sports including multi-skills, dance, football, netball, golf, tennis.

£4,000 – Top Up Swimming

Identified to be spent on providing **Top-UP** swimming and water safety at the local pool in Langley. Qualified swimming instructors from the pool will follow the guidance in the National Curriculum with the aim of the pupils achieving the KS2 target for pupils to swim 25 metres.

£4,000 – Lunch Time Activities

Will be allocated towards staff costs at lunch times to facilitate structured lunch time sporting activities including opportunities to participate, umpire, score and manage.

£2,000 – PE resources

Funding will be allocated to upgrade the fixed and non-fixed resources the school use to facilitate PESS during PE lesson, social time and before and after school provisions

£4,000 – Outdoor and Adventurous Activities

Funding will be allocated to enable pupils to access a wider range of PESS including - on site visits and external trips to engage pupils in activities at local water and land-based activity centres.

The remaining funds will be targeted at improving our break and lunch time provision and getting our pupils engaged in structured activities with a competition/challenge theme which will include specialist staff and resources.
