Freedom to flourish outside the classroom

Ufton Court is a children's experiential education charity, dedicated to giving young people the freedom to flourish through our experiential programmes.

We aim to immerse children into our historical and outdoor learning programmes, through our unique range of resources, experienced educators and our incredible site.

We give children a safe space to learn about themselves, helping them to grow up more confident, curious and capable.

Where is Ufton Court?

Set within 44-acres of beautiful, ancient woodland on the Berkshire/Hampshire border (just 10 miles south of Reading), Ufton Court is a children's experiential education charity and one of the South East's leading providers of history and outdoor learning programmes for UK school trips.
