Thursday 11th September 2025

Dear Parent/Carer

I hope this message finds you well. I am writing to share some exciting news: your child has expressed a strong interest in learning the clarinet! This is a wonderful opportunity for them to explore the beauty of music and develop a skill that can bring lifelong joy and fulfilment.

At Foxborough, we are passionate about promoting music within our school and the wider community. As part of this initiative, we are planning to establish a school orchestra, where students can collaborate and showcase their musical talents. Learning an instrument like the clarinet would not only enrich your child's personal growth but also allow them to be part of this exciting musical endeavour.

The lessons will be taught by a qualified clarinet teacher from Slough Music Hub and they are offered in school during the school day so no additional travel is required. You can find out more on <https://www.sloughmusicservice.co.uk/>

On this website you can find the leaflet that explains the costs of the lessons and optional renting of the instrument.

If you are happy for your child to learn the clarinet and you are willing to pay for lessons as per the leaflet, please complete the online application form and let the school know that you have done so. We can then check with the Slough Music Hub and create the time table for next year.

Please feel free to reach out if you have any questions or concerns. I would be more than happy to discuss the details of the lessons

Thank you for your time and consideration.

Best regards

Mrs Tatarczyk
Music Lead
