We could not be prouder of the way they represented Foxborough!

We would also like to apologise for the disruption to communication caused by a nationwide issue with our management system, which temporarily affected our ability to send emails. This has now been resolved – thank you for your patience and understanding.

Welcome back!

We are delighted to welcome everyone back after the summer holidays and hope you had a restful break. The children have made a fantastic start, settling into their new classes with energy and enthusiasm. It has been a busy first week with Year 5 and 6 pupils enjoying both a residential at Ufton Court and a trip to Windsor Great Park. Both were huge successes and provided wonderful opportunities for challenge, teamwork and adventure. Staff at both sites commented on how exceptionally well-behaved and respectful our pupils were – truly living out our ROCK values.

Super Work

Nursery - Butterfly

In Nursery, we want our room to be beautiful so we have painted colourful butterflies to hang around the room.

We enjoyed exploring the classroom resources and toys and we practiced our little fingers so they get stronger

We love cooking for Mrs Tatarczyk and we all make a good team

Reception Class: All About Me – Constructing Our Home Models

This week, our Reception children have been busy creating wonderful construction models of their homes as part of our "All About Me" topic. Using stickle bricks, they explored shapes, features, and personal touches that make their homes/ bedrooms unique. It's been a fantastic way for children to discuss and share their ideas, as well as some then designing their dream homes, which turn into rockets, as well as a model of our school! The children showed great confidence by wanting to present their work to the class. This was a wonderful opportunity to practise oracy skills. Well done to all our little architects!

New School Year – Fresh Start!

Welcome back, everyone! A brand-new school year is the perfect time to get excited about learning, make new friends, and taking care of ourselves. Here are some tips to help you make this your best year yet:

Tips to Maximise Learning Come Ready to Learn

Get a good night's sleep so your brain is fresh.
Bring everything you need for the day – readiness to learn, resilience, concentration, and your big smile!

Be Curious & Open-Minded

Ask questions and be ready to hear new ideas.
Try new things – even if they seem tricky at first.

Show Your Challenging Spirit

Keep trying when something feels hard.
Celebrate progress – mistakes help you grow!

Looking After Yourself

Take Breaks
Use playtime to move, stretch, and get fresh air.

Be Kind

Speak kindly – to friends and yourself.
Help others when you can.

Be Responsible

Look after your belongings and our classroom.
Think about how your actions affect others.

Our Goals

Let's work together to be:

Responsible – making good choices and looking after our things.

Open-Minded – ready to try, listen and learn new ideas.

Challenge– never giving up when things are tough.

Kindness – making everyone feel welcome and included.
