Wednesday 8th October 2025

Dear Parent/Carers

Re: Learning Review Day Wednesday 15th October 2025

Learning Review Day will take place on **Wednesday 15th October**. On this day, **children will not attend school as normal**. Instead, we will be offering a full programme of workshops as well as a 10-minute slot with your child's teacher for parent consultations. **Children will be expected to attend with their parent/carer** as they will be involved in the parent consultation. Your child does not need to wear school uniform.

These meetings will take place face-to-face and there will also be a programme of activities for families to participate in, which will be running in the Dining Hall, Hall and classrooms throughout the day. **Further details on the attached sheet.**

Attendance on this day is expected for all families.

A learning review meeting is:

- a chance for individual pupils to meet with their parents and class teacher to hold a collaborative and formative discussion about the child's progress and achievements;
- a chance for the adults to listen and respond to their child's point of view and look at the child's learning.

During the learning review meeting, your child will be a responsible active learner with a positive part to play in creating their own future. It is a chance for everyone to engage in a conversation about learning, an equal partnership with everyone sharing their own knowledge and understanding. The child, parent and teacher can contribute ideas about future progress and how everyone can best support the child.

If you require a translator to support you meeting, we will try our best to accommodate this where possible. Please contact post@foxboroughprimary.co.uk

Pupils must be accompanied by their adult at all times during the day. All staff will be involved in the Learning Review Day; therefore, parents are responsible for the supervision of their children.

SEN surgeries for parents of pupils with Special Educational Needs

Miss Jay will be available to meet with parents who wish to discuss their child's learning in more detail. If you would like to make an appointment, please contact: senco-fox@foxboroughprimary.co.uk

ROCK passports!

Similarly to last year, pupils will be asked to visit various stations around the school to complete their pupil passports. We hope that this will be a great opportunity to visit different areas of the school and to work with your children to engage with the ROCK values.

Passports will be collected on the day and activities can be completed at any time during the school day.

Community Surgery
