Dear Parents and Carers

Foxborough Primary School will soon be using the MyChildAtSchool (MCAS) app, a platform designed to strengthen communication between home and school. MCAS enables us to share important information about your child and manage club sign-ups more efficiently. We kindly ask all parents and carers to ensure their MCAS accounts are set up and active.

If you already have the MCAS app for another child - you will be able to switch between their profiles using a single login and view their information for the current school year.

How to Sign Up for MCAS

We have enabled self-sign-up, allowing you to create your account without needing an invitation from the school.

1. Visit the MCAS Portal

- Go to **www.mychildatschool.com**
- Select **"Sign Up"**

2. Create Your Account

- Enter the **School ID: 15653**
- Enter the email address you use for school communications (e.g., the fortnightly newsletter)
- Follow the on-screen instructions to verify your email and set your password

It may state that you already have an account as your email address should already be registered with the school, you will be prompted to reset your password.

3. Download the MCAS App (Optional, but recommended)

- a. iOS: [MyChildAtSchool - Parent App - Apps on Google Play](#)
- b. Android: [MyChildAtSchool - Parent App - Apps on Google Play](#)

4. Log in and Begin Using MCAS

Access your account via the app or the website

MCAS will be the **only** way to:

- Sign up for clubs from Summer Term 1

More options will be available in due course

If you require additional support, please contact us at **admin@foxboroughprimary.co.uk** using the subject line: *MCAS Support Needed*.

Thank you for your cooperation as we introduce this new system. We are confident that MCAS will help us stay connected with you even more effectively.

Warm regards
