Friday 8th May 2026

Dear Parents and Carers,

We are excited to announce that we will be holding a Penny Wars competition at school to help raise money for our school community.

Penny Wars is a fun and friendly fundraising challenge where classes compete against each other by collecting coins. Children can bring in spare change to add to their class container throughout the week.

Here is how it works:

- Copper coins (1p and 2p) add points to your child's class total.
- Silver coins and notes can be placed in other classes' containers to subtract points from their score.

The winning class will be the one with the highest total at the end of the competition and will get to vote for a reward. This could be a pizza party or a movie in the KS2 Hall etc.

The fundraiser will begin Monday 11th May 2026. All money raised will go towards new equipment for the playground.

We encourage children to take part in a positive and respectful way while enjoying the excitement of the competition. Any contribution, big or small, will make a difference.

Thank you for your continued support.

Kind regards,

Mr. Wood
