5th May 2026

Dear Parents / Carers,

You may have seen information about an important government review into Special Educational Needs provision in the media recently. This is an enormous piece of work being undertaken to ensure that provision in England will meet the needs of our children.

Our schools are working closely with our local authorities to ensure we have a say in shaping what this provision could look like in Slough and the Royal Borough of Windsor and Maidenhead. We have also engaged with the government consultation so we can contribute our voice, explaining what will work better for schools and the children in our care.

This consultation is also available to parents. If you wish to respond, you can find the consultation documents here: <https://consult.education.gov.uk/send-strategy-division/send-reform-putting-children-and-young-people-firs/>

This is an online consultation but if you prefer, you can respond by email at: SENDreform.CONSULTATION@education.gov.uk or by post to: SENDAP Reform, Sanctuary Buildings, Great Smith Street, London, SW1P 3BT

The consultation is open until 18th May 2026.

Although the planned changes are still in White Paper form, it is likely that these plans will proceed to become law. Your school will be reaching out to you in the future to explain how the plans will be enacted in your borough and how this might affect the provision accessed by families and children both now and for the next generation of children.

All of the information regarding the government's proposals can be found here: <https://www.gov.uk/government/publications/every-child-achieving-and-thriving>

Yours faithfully,

Debra Roscoe
Head of Inclusion
Pioneer Educational Trust
