Tuesday 23rd June 2026

Dear Parents and Carers,

Following my earlier communication regarding the school closure on Wednesday and Thursday, I would like to make families aware that we will be providing a small on-site provision for children of working parents who are unable to make alternative childcare arrangements or those in particularly challenging situations.

This provision will be based in our only air-conditioned room to ensure that children can remain safe and comfortable during the period of extreme heat.

If you require your child to access this provision on either Wednesday or Thursday, please email the school office post@foxboroughprimary.co.uk by midday stating:

- Your child's name and class
- Which day(s) you require provision
- Confirmation that all parents/carers in the household are working and unable to supervise their child at home or details of any particular challenges impacting on ability to keep children at home

Places are limited to the capacity of the room. Pupil who are Pupil Premium may be given preference. As places will need to be carefully planned and staffed, we would appreciate hearing from you at the earliest opportunity.

Thank you for your understanding and cooperation as we work to ensure the safety and wellbeing of our school community during this period of exceptionally hot weather.

Kind regards,

Jessica Theisinger
Headteacher
