7th July 2026

Dear Parents and Carers

I am writing to let you know that **Cubs and Nurture Groups in the den will not be running during transition week.** This week of **6th–10th July** will be the final week of these provisions for this academic year.

This is because, during Transition Week, children will require additional support as they spend time getting to know their new classes, teachers and routines. As a result, both myself, as SENCO, and our SEN Teaching Assistant will be available to provide support on a more **ad hoc basis**, responding flexibly to the needs of individual pupils throughout the week.

We understand that Cubs and Nurture Groups are valued by many children and families, and we would like to reassure you that these provisions will **resume in the Autumn Term.**

Thank you for your continued support. If you have any questions, please do not hesitate to get in touch.

Yours faithfully

Ms Jay Johannessen
