

OFFICIAL NEWSLETTER

It has been wonderful to **welcome back** everyone back to Foxborough, and especially our new Reception children, who have made such a fantastic start. Thank you to everyone who joined us for Meet the Teacher. We hope you found it useful to meet your child's teacher, hear about the curriculum and learn about some of the exciting developments this year.

One of these is TGMC - The Good Morning Club, our whole-school approach to helping children regulate their emotions and feel calm, focused and ready to learn. You may hear your child talking about their Calm, Energise, Focus or Celebrate backpacks! We will share more with families, including

resources to use at home, during **Learning Review Day on 14 October.**

Thank you, too, for embracing the changes to lunch ordering through My Child at School. Pre-ordering meals helps us reduce food waste and ensure we can meet children's dietary and allergy needs.

Just a quick reminder of the importance of attendance. Our aim is that children have no more than 4 days of absence in a school year.

Last but not least, we are delighted to welcome **Mrs Bhogal, Mr Lewington** and **Mrs Shah** to our team, and we wish **Mrs Ram** all the very best for the future. We are so grateful for all her hard work and so sad to see her go.

If your child is unable to attend school for any reason, you must notify us by either of the following methods:

Phone 01753 546376 - Option 1 then Option 1 or
Email: attendance@foxboroughprimary.co.uk
or
via the [MyChildAtSchool](#) app

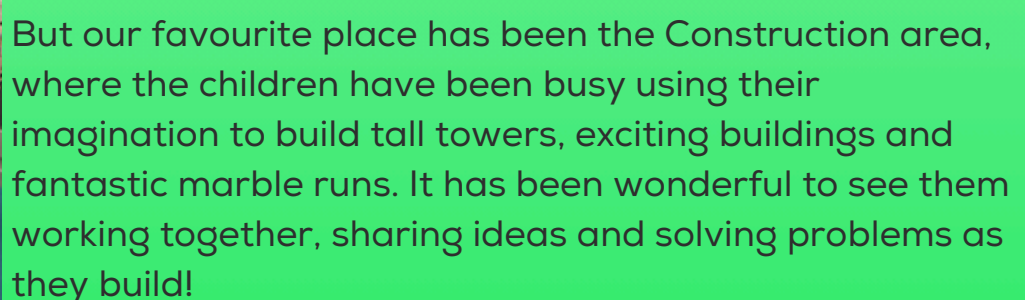

Holidays

Please can we just take this opportunity to remind all families If your child misses 5 days or more to go to go on holiday or has 10 unauthorised sessions off over a 10 week period during term time, you are likely to incur a fine from Slough Borough Council.

Medication

If your child requires prescribed medication and is well enough to attend school, please bring the medication to the school office where paperwork can be completed and the medicine can be administered during the day.

Super Work

Reception

A Wonderful Start in Badger Class!

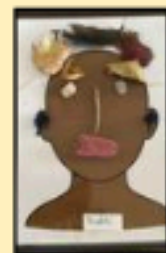

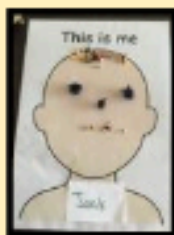

The children in Badger Class have made a wonderful start to Reception and are settling happily into their new environment.

They have enjoyed exploring the different areas of the classroom, including creating stories in the small world area, investigating water, making marks, building imaginative structures and serving their friends in our Friendship Cafe.

As part of our All About Me learning, the children used mirrors to look carefully at their facial features before creating their own self-portraits. They selected natural materials, including leaves, sticks, conkers, seeds, stones and pine cones, to represent their hair, eyes, noses and mouths. The children shared their ideas and explained why they had chosen particular materials for each feature.

It has been lovely to see the children developing new friendships, sharing ideas and learning through play. We are very proud of how confidently they have begun their Reception journey!

Supporting Wellbeing

A new school year brings new opportunities, experiences and challenges. As children settle back into routines, we are encouraging them to develop positive habits that support their wellbeing, resilience and confidence.

Taking time to talk about feelings, build healthy relationships and practise self-care can make a big difference to how children approach learning and everyday situations. Small strategies such as being active, getting enough sleep, talking to someone they trust and taking mindful moments can all help children feel ready to thrive.

Top Tips

-  Make time each day for a quick chat about how your child is feeling.
-  Encourage a consistent bedtime routine to support sleep and concentration.
-  Balance homework and screen time with opportunities for reading, play and physical activity.
-  Celebrate effort, perseverance and small successes, not just outcomes.
-  Spend time outdoors whenever possible to boost mood and wellbeing.
-  Remind children that it is okay to ask for help when they need it.

A simple question to discuss at home this week:

"What has been the best part of your day, and why?"

By working together, we can help our children develop the skills they need to navigate challenges, celebrate successes and enjoy a positive start to the year.

Quote of the Week:

"Believe you can, and you're halfway there."

BUILD A SAFE, CONFIDENT AND CAPABLE SWIMMER

Swimming is a life-saving skill...and a gift for life

For children, learning to swim is the ultimate life skill. As a parent, arranging swimming lessons, ensures your child masters these four vital milestones:

- Independence:** Strong, efficient strokes instead of basic survival.
- Buoyancy:** Effortless floating to rest and swim further.
- Navigation:** Safe entries, exits, and deep-water confidence.
- Mindset:** Panic control to stay calm in danger.

Help your child become a confident swimmer - Enrol your child in swimming lessons today.

"Swimming teachers are, first and foremost, life-savers and confidence builders. Their responsibilities extend far beyond demonstrating strokes, as they teach critical survival skills, help students conquer fear and panic, and instill resilience and trust that translates to everyday life."
